Speeds on the internet service and remedies

Fixed internet	Download speed	
	Download	*Upload*
	Min: (1)	Min: (1)
	Normally available: (1)	Normally available: (1)
	Max: (1)	Max: (1)

(1) Your fixed internet speed depends on your address, see, see Speedtest internet connection.

In order to enjoy Scarlet internet, you must have access to the VDSL or Fiber network. The maximum download speed depends on the distance between the connection point and the telephone central, on your computer installation and your interior cabling.

Access to the Fiber network is necessary to be able to benefit from the Scarlet Fiber Speed Boost option.

If the service quality of the Internet service presents a continuous or recurrent discrepancy, the consumer can lodge a complaint via our contact form.
